A LEGACY OF TRADITION & COMMUNITY

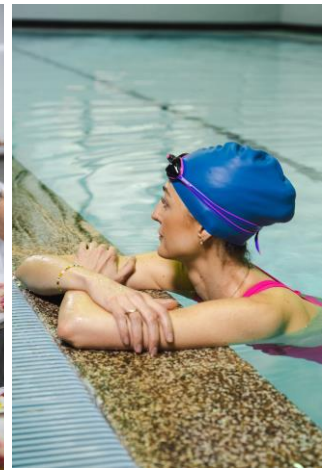

The Union University & Schools Club of Sydney is one of Australia's oldest and most respected clubs, with a rich history dating back to 1857. Open to both men and women, the Club seamlessly blends heritage with modernity, offering outstanding facilities, a vibrant social scene and a welcoming community of like-minded individuals.

A PRIME LOCATION IN SYDNEY'S CBD

Situated in the heart of Sydney's CBD, the Club is just moments from major transport links, including the new Metro station. With key business, legal and financial institutions nearby - alongside cultural landmarks such as the NSW Parliament, State Library, Royal Botanic Garden, Art Gallery of NSW Sydney Opera House - the Club is ideally positioned for work, leisure and social gatherings.

A CLUBHOUSE OF CHARACTER & COMFORT

The Clubhouse features both classic and contemporary spaces. The Ground, First, and Second Floors retain their timeless charm, with elegant dining rooms, a stately library and distinguished reception rooms, perfect for formal dinners, cocktail gatherings and speaker events. The Third Floor offers a more relaxed setting, with the Terrace Bar and Garden Terrace providing an inviting atmosphere for casual dining and conversation. A well-equipped business centre is also available for members needing a productive space between city engagements.

EXCEPTIONAL DINING & WINE SELECTION

Dining at the Club is a true pleasure, with carefully crafted menus showcasing the finest seasonal ingredients. The extensive Club wine cellar, home to 8,000 bottles, is curated by the Wine Committee, ensuring members have access to an exceptional selection of wines and exclusive tasting events. Whether it's an intimate dinner or a casual drink on the terrace, members can always expect a high-quality experience.

ACCOMMODATION

The Club's accommodation facilitates both extended and overnight stays for Members and their guests, as well as visitors from Reciprocal Clubs. The rooms and suites are comfortable; all have en-suite bathrooms and there is a guest laundry and a thoughtfully stocked kitchenette.

The Club's dining rooms are closed on weekends; however, Reception can recommend dining options close-by.

The Club's accommodation enables overnight stays after a Club event, or following an evening at a concert, theatre, ballet or opera. Stay for the weekend and enjoy the shopping, dining and sightseeing as a city resident.

FIRST-CLASS FACILITIES & ENGAGING SOCIAL CALENDAR

The Club's Health Club offers a fully equipped gym, heated indoor pool, spa, sauna, and squash courts, complemented by complimentary fitness classes. Members can also take part in a variety of sporting groups, including golf, skiing, tennis and billiards.
